

Oh, what a year 2025 has been! Thanks to our amazing volunteers, downtown businesses, Public Works crew, and the City of Roslyn.

Roslyn is truly a one-of-a-kind place to work, play, shop, stay, and dine. May 2026 bring continued success to all businesses and everyone who contributes to making Roslyn so special!

## A SNAPSHOT OF 2025

Jeri Porter and Cheri Marusa, on behalf of the RDA, were recognized at the Statewide Places Conference with the Community Partnership Award for the RDA's Yakama Nation Creator's Law sculpture project.

The RDA purchased beautifully custom-made picnic tables from Stillwater Joinery for Harper's Yard.

There are more community enhancements on the drawing board!

The RDA commissioned artist Richard Smith and Julie Smith Hermanson to create an oil painting of the Creator's Law Sculpture. This painting was presented as a gift from the RDA to the Yakama Nation during a Tribal Council meeting.

The RDA retained Chris Flowers of Flowers Fabrication to design and install customized bike racks at Mountain Joy, Roslyn Theatre, Basecamp, and Inland Networks, funded by an SFCE grant.

It's always fun to share historic moments of Roslyn.

A glimpse of Roslyn in the winter of 1949. School kids bundled up and made their way through the snow near the old Roslyn School. Some moments never lose their warmth, even in the cold!

It's moments like these that remind us of Roslyn's community that's weathered every storm, together. As the cold months roll in, we're reminded that resilience runs deep here.

Come feel the warmth of a town that always finds its way through the snow!

**EVERY ROSLYN BUSINESS IS A STORY WAITING TO  
BE TOLD—THE HEARTBEAT OF OUR SMALL TOWN**

Roslyn is home to a diverse array of small, locally owned businesses, each with a unique storefront. Often referred to as mom-and-pop businesses that generally employ around one to twenty people. Roslyn's businesses actively support local events and contribute countless volunteer hours to enhance the community.

Roslyn offers a variety of businesses, including wine and retail shops, a grocery store, a meat market, a brewery, fantastic dining options, lodging, venue rentals, an arcade, a movie theatre, pet care and wellness/spa services, and recreation businesses such as board shops, a bike shop, and a fly-fishing shop. The Roslyn Eagles, established in 1909, offers a variety of club events and activities.

Small businesses truly represent the heart of the Roslyn community, generating jobs, creating opportunities, and instilling local pride. Each small business carries a story worth knowing, adding authenticity and a personal connection to the town.

**“WHEN YOU SUPPORT ROSLYN BUSINESSES, YOU SUPPORT DREAMS,  
CREATE JOBS, INVEST IN THE COMMUNITY YOU LOVE,  
AND HELP PRESERVE OUR HISTORY.”**

## MISSION

Strengthen the local economy, preserve and celebrate Roslyn's vibrant cultural heritage, and highlight the downtown and community's distinctive and historic assets.

## VISION

Downtown Roslyn is a welcoming and vibrant place where community, culture, and small businesses thrive. The RDA envisions a well-preserved historic Main Street that celebrates Roslyn's heritage, supports a resilient local economy, and offers an authentic mountain-town experience for residents and visitors alike.

The RDA is a Washington Main Street Community, a program of the Washington Department of Archaeology & Historic Preservation. The Main Street Four-Point Approach is an innovative preservation-based economic development approach focused on Economic Vitality, Design, Promotion, and Outreach.
